## Awards for 2019/2020

---

On Tuesday 2nd of June we should have welcomed all of our S6 leavers and our award winners to our annual Graduation and Awards Evening. This is always a highlight of the school year and gives us an opportunity to mark the culmination of our students' time at Culloden Academy, to wish our leavers well, to celebrate their next steps as well as recognising the outstanding achievements of our students.

We hope to re-create this at some later date but we are delighted to announce the names of those pupils who have been nominated by their staff for their outstanding performance and contribution to the wider school life.
