YEAR OF YOUNG PEOPLE 2018 - As part of the Year of Young People 2018, Nicola Sturgeon will take part in the first-ever First Minister's Questions for children and young people. We are looking for a group of 10 children and young people to help design this new Question Time event.

All we ask is that you:

- Are aged 8-18
- Enjoy working in a group
- Have lots of ideas about how young people can get their message across and want to share these ideas with others
- Can commit your time to this project – there will be four meetings in 2018 (We will cover your travel – oh, and provide great food as well!)

Details can be found on the school Facebook page or on the poster outside my office. **Miss Lomas**

DRAMA AND GAELIC PROJECT FROM EDEN COURT + FÈISEAN NAN GÀIDHEAL: 'TÒG: An Lab' is a collaborative project run in partnership by **Eden Court and Fèisean nan Gàidheal**. Three Gaelic performing groups from across the Highlands will work towards devising new works in Gaelic performance and production technique with the support of 2 creative professionals. Each of the 3 groups will perform once at their home centre before transferring to **Eden Court Theatre** for a final performance as part of the '**TÒG: An Lab**' showcase. Eden Court are extremely excited to be delivering this brand new project following the success of their previous Gaelic Youth Theatre Festivals and urge any young people wanting to take part to get in touch with Nic to book a space. Please see Miss MacRae or the poster outside Room 9 for dates, details and how to book a place. This project is **FREE** to all participants and is open to all students S1-S6. Please note that all workshops and performances will be delivered solely in Gaelic. **Thank you, Miss MacRae, Room 9.**
