Dear Parents and Carers,

Transitioning to Secondary school is a significant event in everyone's life let alone during a pandemic. I understand that pupils and parents will start to worry about what the process will look and feel like. Please be assured that we have a successful transition programme and it can be adapted to ensure that we are supporting all learners throughout this process.

Mr MacDonald has already started meeting with Primary Schools and gathering information. All this work will continue behind the scenes. He will start visiting P7 classrooms virtually and this will be a chance for young people to ask any questions they may have.

I will post a link to a Google Form where parents can post any questions they may have. Please send in any question no matter how small and I will answer these questions via a video assembly or virtual meeting. All information will be posted on the school website under the transition section.

This is a difficult time for everyone but please be assured that we are working collaboratively to ensure a smooth transition experience for your child.

Yours faithfully,

Miss Vikki Forrester
Acting Depute Rector
