

VOTING

IN THE SCOTTISH PARLIAMENTARY
ELECTIONS

HAVE YOUR SAY – SIGN UP TODAY.

WHAT?

WHAT'S HAPPENING IN MAY?

On the **6th of May**, anyone over the age of 16 will be able to vote for who they want to represent them in the next Scottish Parliament – these elected representatives are called MSP's.

The political party with the highest number of MSP's (or commonly referred to as seats) usually becomes the government and then has the power to make decisions.

This is a chance for people to make their voices heard by electing people and parties they agree with. You need to register to vote to do this.

SO WHAT?

WHAT DOES THIS MEAN FOR ME AND
WHY SHOULD I VOTE?

A HIGHLAND YOUTH PARLIAMENT & HIGHLAND COUNCIL COLLABORATION

Most young people have said “politics isn’t for me” at some point.

But politics affects you.

Politics determines everything in our lives: from tackling big global issues like climate change to deciding whether or not planning permission is given to build a fast food drive thru in Inverness or even creating laws about social media usage.

So why not give your say – it may just determine what way our country heads in?

OK. HOW?

HOW DO I REGISTER? WHERE AND HOW
CAN I VOTE?

A HIGHLAND YOUTH PARLIAMENT & HIGHLAND COUNCIL COLLABORATION

You must register to vote – it only takes 5 minutes. All you need to do is fill in the online form at:

www.gov.uk/register-to-vote
