1st June 2022

For Attention of All new S2 and S3 Pupils

Highland Council provide all secondary students with a personal Chromebook. The current Chromebooks are nearing the end of their 4-year life cycle and will therefore be replaced. The first phase of this will take place in June.

Stocks of these new Chromebooks are now available to be distributed and you will receive yours at the following time:

- Monday 6th June – Pupils in 2T, 2U and 2V (if you have English Block 7 that day)
- Tuesday 7th June – Pupils in 2P, 2Q, 2R and 2S (if you have Maths Block 6 & 7 that day)
- Thursday 9th June – All S3 pupils (when you have English Block 6 & 7 that day)

Please tick the box that applies to you and remember when you will get your new Chromebook

In order to receive your new Chromebook, you must return your existing one, along with your charger at the same time.

The new Chromebooks will still be in their packaging and you must take your new Chromebook home in its box, where you can then recycle the cardboard packaging for the Chromebook and case. The Chromebook must then be charged overnight, so that it is ready for use in class the next day.

The existing Chromebook User Agreement (copy attached) will still apply. Any careless or deliberate damage to your new Chromebooks may result in it being withdrawn. **Please remember that the Chromebook remains the property of Highland Council at all times, and is merely on loan to you.**

If you are absent on the day you are scheduled to get your new Chromebook, you will be advised of a “catch-up” block at a later stage.

Yours faithfully,

Mr C D O'Neill
Depute Rector
