Fire Alarm Reminder: When the alarm sounds proceed immediately to the Fire Assembly on the playing fields. Houses are organised alphabetically, and you should line up from S1 – S6 within your House Group

1BD1, 1BD2, 2BD1, 2BD2 etc

Please remember to line up alphabetically in your tutor group to make it easier for staff to register you.

Should the alarm sound either before school, during lunch or after school, proceed straight to the assembly point so that we can ensure the building has been evacuated.

Mr Weafer

***ASSEMBLIES FOR THE WEEK- S1-TOMORROW; S2-Thursday; S3-Friday**

***PERSONAL DEVELOPMENT BLOCKS** – A reminder that personal development blocks must be attended at all times by S5 students (these are not 'free blocks'). S6 students must inform their personal development teacher where they are if they are working or helping elsewhere in the school to ensure they are not marked with an unexplained absence. Exceptions to this are if you have signed in online (personal development blocks are all you have in the morning), or you have signed out at Reception because you have no other classes for the rest of the day. For those looking for references, remember, poor attendance and lateness are aspects that may be considered by prospective employers, colleges or universities.
