Fire Alarm Reminder: When the alarm sounds proceed immediately to the Fire Assembly on the playing fields. Houses are organised alphabetically, and you should line up from S1 – S6 within your House Group

1BD1, 1BD2, 2BD1, 2BD2 etc

Please remember to line up alphabetically in your tutor group to make it easier for staff to register you.

Should the alarm sound either before school, during lunch or after school, proceed straight to the assembly point so that we can ensure the building has been evacuated.

Mr Weafer

PERSONAL DEVELOPMENT BLOCKS – A reminder that personal development blocks must be attended at all times by S5 students (these are not 'free blocks'). S6 students must inform their personal development teacher where they are if they are working or helping elsewhere in the school to ensure they are not marked with an unexplained absence. Exceptions to this are if you have signed in online (personal development blocks are all you have in the morning), or you have signed out at Reception because you have no other classes for the rest of the day. For those looking for references, remember, poor attendance and lateness are aspects that may be considered by prospective employers, colleges or universities.

NATIONAL 5 PRACTICAL WOODWORK - Last year's practical projects can now be collected and taken home. Anyone who wishes to should come to the Tech dept this week. **Mr Inglis**

CHRISTMAS CONCERT - We will be auditioning acts for the Christmas Concert the week beginning the 26th September. Please sign up in the Music Department by TODAY Friday 23rd September if you are interested in auditioning. Your piece doesn't need to be completely ready and you might want to talk to your Music teacher before you sign up. Other acts in the Christmas Concert will include the Wind Band, Funk Band, new Trad Group and the new choir. Keep a look out in the notices. **Music Department**

UNIFORM CHECKS - This week uniform checks will begin. Year Heads will let register teachers know which day they wish a survey of register classes to be completed. Pupils following dress code will be awarded a House Point on that day- pupils absent or not wearing dress code will not. Dress code House Points will count towards being able to attend the school's Christmas social events and other non-curriculum opportunities, such as trips. Year Heads will agree on how many dress code House Points their Year Groups need to gain. I would also like to reassure you that we are still gathering ideas for what the prize will be for the winning house and we aim to publish details of this shortly after the October holidays. **Dr Vance**

MARVELS ON A MONDAY - House Point Challenge Another reminder that the Biology department's 'Marvels on a Monday' challenge is back! A new challenge has been posted, on the 'House Point Challenges' google classroom (**code: iejo3uc**). This challenge involves you solving an anagram using the clues provided – can you work it out? The Challenge will be available until **TODAY 3.40 on Friday 23rd September** and house points are up for grabs! Good luck! **The Biology Department**
