Suggest Bookings for Me

Suggest Bookings for Me will let you choose the teachers you want to book (across multiple students, if applicable), and asks when you are available for appointments.

The system then calculates the most efficient order for your appointments, and you have 5mins to confirm (or adjust) these.

The screenshot shows the 'Suggest bookings for me' interface for Blueberry Example School. At the top, there are navigation links for 'CHANGE CHILD', 'HELP', and 'LANGUAGE: ENGLISH (UK)'. Below the school name, there is a 'Return to Dashboard' link and the title 'Suggest bookings for me'. A message states 'Teachers have requested meetings with you.' Below this, a search bar contains 'Calum Smith' and a dropdown menu shows 'Tasha Smith'. The main content area is titled 'Calum Smith' and 'Select all available teachers'. It displays a grid of available teachers with their subjects and remaining slots. At the bottom, there is a section 'When are you able to attend?' with a date selector for 'Tuesday 23 Feb 2021' and time slots for 'Arrive' (16:00) and 'Depart' (19:00). A checkbox for 'Allow other parents and carers of this student to join video calls?' is also present. A 'Make my bookings for me' button is at the bottom.

The screenshot shows the 'Confirm suggested bookings' interface for Blueberry Example School. At the top, there are navigation links for 'CHANGE CHILD', 'HELP', 'LANGUAGE: ENGLISH (UK)', and 'BACK TO ADMIN AREA'. Below the school name, there is a 'Return to Dashboard' link and the title 'Confirm suggested bookings'. A yellow banner indicates a 4:55 timer and a message: 'Please confirm these bookings within 295 seconds.' Below this, there are three buttons: 'Confirm bookings', 'Edit bookings', and 'Cancel bookings'. The main content area is divided into two sections: 'Tasha Smith' and 'Calum Smith'. Each section displays a grid of suggested bookings with 'UNCONFIRMED' status, including teacher names, subjects, dates, and times. Each booking has 'Add Comment' and 'Edit Booking' buttons.

Joining Video Meetings

On the day of the parents' evening, a blue "Join Video Appointment" button will show up **10-15mins before your first appointment**, after you login.

Any time in advance of your video meeting you can test your internet browser, web cam, microphone and internet connection's compatibility by clicking 'Video Settings'.

When you are ready to join your video meetings, click 'Join Video Appointments'. You will enter a video meeting room, and will await your first appointment starting.

When your first appointment is due to begin, you will need to authorize use of your microphone and web cam, and then your meeting will start at the scheduled time. If you have issues, [click here](#).

Sharing Your Video Meetings

You can invite another family member (or even an external contact such as your own BSL translator or similar) to be able to join your video meetings.

Simple share the “shareable link” in the bottom of your email confirmation with them. It might even be easier just forwarding your email to them, to click on the link and be able to see the appointment times.

The screenshot shows an email titled "Calum Smith - Confirmation of Appointments made for Parents Evening." The email body contains a list of appointments for the 24th of November 2021, including times, durations, and the names of the parents and teachers. A blue arrow points from the text above to the "Shareable Join Link" section of the email. The email also includes instructions for video meetings and a link to the Parents Booking website.
