

ACTIVITIES 2026

13th – 15th May

Activites
2025

Dare to do something different

Activities Week at **Culloden Academy** offers students the chance to take part in a range of fun and enriching experiences beyond the classroom. From creative workshops and outdoor challenges, to team-building and cultural excursion, there's something for everyone.

This is a great opportunity to try something new, develop skills, build friendships, and make memories in a safe and supportive environment.

Push yourself and have fun!

Key Dates + Timings

Activities will take place on **Wednesday 13th, Thursday 14th, and Friday 15th May 2026.**

Some activities will last **half a day**, while others will take a **full day** or **more**. Please refer to the individual activity information for timings.

Students must fully book their timetable for all three days.

PRICING

All costs are **estimates** based on last year's prices and may change, depending on participant numbers and inflation. **We will always keep you informed of any adjustments.**

Fun For All

If parents or carers have any questions or concerns about the **cost** or **accessibility** of any activities, please feel free to contact us. **We are here to help and always happy to discuss individual needs.**

Writing

Unleash your creativity in this writing workshop. Pupils will explore story writing, non-fiction, and other styles, learning how to write with confidence and flair. Activities include building characters, crafting cliffhangers, and tackling exciting writing challenges to help ideas shine.

Perfect for anyone who enjoys storytelling and expressing themselves, this workshop offers a fun environment to experiment, improve, and let your imagination run wild.
