***WORLD CUP** – We have decided to create an interdisciplinary learning experience to encourage you to celebrate the cultures from all of the countries taking part in the World Cup and, of course, to cheer on Scotland. The S2 - S5 tutor groups have been each allocated a country and on the day their team plays matches, can wear the colours of their country's flag. We are also asking them to learn a few words of their country's language, for example hello, goodbye, please and thank you. This will be easier for some tutor groups than others! There will be prizes after the group stages for the team which scored the most goals, the team which had the most goals scored against them and also the team with the most red/yellow cards. Next term, there will be a prize for the tutor group with the winning team. On Scotland match days, the whole school can dress in Scottish colours to support our National team.

Date	Match	Time	Tutor Groups Involved
TODAY, Friday 12 June	South Korea v Czech Republic	03:00	2KR1, 2DC1
	Canada v Bosnia & Herzegovina	20:00	4KR2, 2RT2
