ONE WAY SYSTEM – Could all pupils remember to use the one-way system at change of blocks. This will ease congestion in the corridors.

ANCHOR PROJECT - the Anchor Project is back in school, Tuesday 8th September at lunchtime, next to the Highlife office. They're a Barnardo's team who chat with young people, offer support, and run the safe hub in town (Station Square). You'll also see them out and about doing street work, and they're around in the evenings and weekends if you need someone to talk to by phone or text.

TURNING 12? IT'S TIME FOR A NEW NEC WITH A PHOTO! - You need a new National Entitlement Card (NEC) with a photo on it from your 12th birthday to keep using free bus travel. Cards without a photo are only valid until the day before your 12th birthday. You can apply from your 11th birthday - and you can choose a Young Scot card for extra discounts and rewards. The school will be coordinating a bulk application for families who wish to apply. This card gives you continued access to free bus travel — helping you get to school, meet friends, and explore their world.
