PRELIMS 2026

Over the next few weeks our Senior Phase pupils will be sitting their Prelim examinations. Some of your classes may be displaced. Any changes will be posted in the bulletin. These are important assessments that will help prepare them for the final SQA exams in May. You have an important role to play by being respectful and not disrupting any of the exams. Many of the exams are taking place in various rooms across the school. So, try to keep noise to a minimum as you move between classes. Remember, you will be in this position one day, so please respect those that are going through it this year. Thank you for your support with this. Mr Weafer
